Subject: Conduct of BLIS Term-end Practical Exam – December, 2025.

Dear Sir/Madam

You are aware that large numbers of Study Centre/Exam Centres have been activated for BLIS programme. However, it is not possible to conduct the BLIS practical examination at all the exam centres.

It has been decided to club some of the exam centres with the other exam centres, where the relevant books are available for conducting the BLIS term-end practical examination. Accordingly, a list of such clubbed exam centres and the centres where the practical exams would be conducted is given below.

The candidates may therefore contact those exam centres where the practical exam will be held as per the table given below to know the relevant particulars like the date, time & batch etc. The Exam Centre Supdt., where the practical exams will be held, shall prepare the batch-wise particulars and also intimate those exam centres which are clubbed with the centre (see below) as mentioned against each in the table for the information of the candidates appearing in the theory papers.

Necessary instructions may therefore please be issued to students and all the Exam Centres in your region and also may display the same on the notice in a prominent place. You are requested to write/inform all the Exam Centres to be announced in the exam hall about the BLIS practical exam, so that no candidate is suffered for lack of communication and the BLIS practical examinations can be conducted smoothly.
